RE: Assignment of ML 42844-A From Rockland Corporation, Inc.

Dear Mr. Taylor,

This office was recently advised of an assignment application sent to you by Mr. Rocky Heinrich to assign trust lands mineral lease ML 42844-A from the Rockland Corp to Miracle Rock Mining & Research, LLC. Please complete the required Acceptance of Assignment section of the forms in affidavit form and return the completed forms to me as soon as possible.

Please be advised that the assignment will only be approved if Miracle Rock Mining & Research, LLC accepts full responsibility for the existing mining operations and the required reclamation of lands that have been mined under ML 42844-A. Rockland Corporation, Inc. presently has on file with the Trust Lands Administration a Surety Bond in the amount of \$7,500.00 to cover such operations and reclamation. Miracle Rock Mining & Research must submit a replacement Surety Bond using the enclosed surety bond form. The bond must be issued by a Surety licensed to do business in the state of Utah. Please submit the required bond to me along with the completed assignment forms.

Please contact me if you have any questions in this matter.

Sincerely,

John T. Blake
Mineral Resources Specialist
